## PART III. DESCRIPTION OF MEDICAL ASSISTANCE SERVICES

### If You are in trouble and need help:

1. Call the hotline. From the U.S. call 1-866-864-2855. From all other locations call collect to 1-804-281-5700 or Non-U.S. Toll Free to 800-4000-4444.

If Your emergency is immediate and life threatening, seek local emergency assistance at once and contact the hotline as soon as possible.

2. Have the following information ready for the hotline coordinator:

- a. Your name and Membership ID number; and
- b. Your location and local telephone number.

The hotline coordinator will confirm Your enrollment and provide You with assistance.

**Note:** In some countries it may not be possible to call collect. If You must phone the hotline directly, give Your location and phone number to the hotline coordinator who will call You back.

### The following services are available when you are on a Trip:

**Medical provider referrals, appointments, and admission arrangements** – If You are in need of a doctor or medical facility, We will refer You to the most appropriate doctors and facilities in the locale requested. If necessary, We will also assist You in setting appointments, and/or arranging the admission to a Hospital or medical center. The final selection of a medical provider is Your responsibility. Fees associated with medical services arranged by Us are Your responsibility.

**Medical Triage** – Our nursing staff will provide medical advice over the telephone. However, a telephone conversation is no substitute for an in-person consultation with a Physician, cannot establish diagnosis, and must be treated as advice only.

### Medical Monitoring

If You are hospitalized, the hotline center medical staff will keep in frequent contact with You or Your local Physician to get information on the care You are receiving and to determine the need for further assis-

tance. We will also contact Your personal Physician and family at home, if necessary.

### **Emergency Medical Transportation**

**All medical transportation services must be authorized in advance and organized by the Access America Hotline Center.**

We will arrange and pay for medical transportation services (specified below) required by You as a result of an Injury or Illness that occurs during the Membership Period and requires medical evacuation and/or repatriation.

A **medical evacuation** is defined as You being transported to the nearest appropriate medical facility as a result of Our consulting Physician and the local attending Physician's determination that adequate treatment is not available locally.

A **medical repatriation** takes place once You have received medical care and the local attending Physician and Our consulting Physician determines You are able to return home.

All medical transportation services are provided only if they are determined to be Medically Necessary by the hotline center medical staff in consultation with the local attending Physicians. We will arrange and pay for the following services and expenses, up to the program limit of \$1,000,000:

1. Reasonable and necessary medical services required for Your medical evacuation to an appropriate facility nearest to the place where the Injury or Illness occurred;
2. Reasonable and necessary escort expenses required by You during a medical evacuation, if this service is deemed Medically Necessary by Our consulting Physician and the local attending Physician;
3. The cost of economy class travel arrangements for You to resume your trip and/or return to Your place of residence following a medical evacuation, less any refunds from any unused return Trip tickets; and
4. The cost of a round-trip economy airline ticket over the most direct route and the cost of hotel accommodations (excluding personal expenses such as meals and local transportation) to bring a friend or family member to Your bedside, if Our consulting Physician and the local attending Physician antici-

pate that You will be hospitalized for more than seven consecutive days;

5. The cost to return Your Traveling Companion or Your accompanying dependents under 23 years of age back to their home, if Our consulting Physician and the local attending Physician anticipate that You will be hospitalized for more than seven consecutive days; and
6. The cost of reasonable and necessary services needed for the transport of Your remains from the place of death to Your place of residence.

**Emergency Medical Transportation is limited to two times per Member per Membership Period.**

## **PART IV. DESCRIPTION OF TRAVEL ASSISTANCE SERVICES**

**If You are in trouble and need help:**

1. Call the hotline. From the U.S. call 1-866-864-2855. From all other locations call collect to 1-804-281-5700 or Non-U.S. Toll Free to 800-4000-4444.
2. Have the following information ready for the hotline coordinator:

The program provides you with information to assist in obtaining replacements of lost passports or other important travel documents. We also help You to replace lost airline and other travel tickets and will assist You in obtaining money for this purpose. These funds will come from Your family or friends. We will make all the arrangements for You, including assisting You to return home if Your Trip is interrupted.

### **Legal Assistance**

If You have legal problems, Our hotline center staff will help You find a local legal advisor. If You require the posting of bail or immediate payment of legal fees, We will help arrange a cash transfer from Your family or friends.

## Emergency Cash Transfer

If Your cash or traveler's checks are lost or stolen, or if You need funds for the immediate payment of unanticipated expenses, We will help arrange to have emergency cash (in currency, traveler's checks or any other form acceptable to Us) transmitted to You in a timely fashion. These funds will come from Your family or friends. Our hotline center staff will make all the necessary arrangements for You.

## Emergency Message Center

In the event of an emergency, call the hotline center, identify yourself by Your Membership ID, and give the hotline coordinator Your message. We will make at least 3 attempts in 24 hours to reach Your requested party, and We will provide You with an update on the disposition of Our attempts to deliver the message. (We are not responsible for delivery of a message if the recipient cannot be reached.) This service can be used for Trips anywhere in the world.
